

## Objective

To work in an energetic environment that will fortify my media/design skills and advance my professional ambitions

## Education

- BA in Media Arts - University of Arizona
- Associates in Liberal Arts - Pima Community College

## Professional Experience

### Freelance Designer/Illustrator 2007 - Present

- Work consists of logo design, page layout design, ad campaigns, packaging, web design, video production, illustrations, and branding for corporate and new business.
- Carry out the needs of a diverse clientele such as Arizona Video Productions, Hinson Media, 360 Media, Arrow Service Group, Arizona Recycle, etc.

### Graphic Designer/Illustrator (part time) - 360 Media 2010

- Assisted and filled in for the art director.
- Created and implemented corporate branding, logo design, illustrations, page layout design, tradeshow displays, and web design for numerous clients.
- Designed and upheld graphic styles and standards for larger clients such as, Siemens, Centura Health, Denver RTD (Regional Transportation District), City of Lone Tree, etc.
- Worked alongside vendors and printers for large scale projects.

### Graphic Designer/Film Production Artist - Hinson Media 2005 - 2009

- Responsible for clients' entire needs to include managing technical and creative resources to produce corporate quality branding.
- Produced ad campaign strategies for a variety of products and services.
- Designed and created business collateral for both print and web.
- Film Production Artist duties consisted of coordinating production resources and facility arrangements in tandem with production manager.
- Tasked to create, edit, and author various projects for outside clientele.
- Coordinated with vendors and for large scale projects.
- Conducted research and completed all necessary paperwork in relation to the above tasks.
